Quadrant Systems donates new Madiba Buggies

As part of their continued commitment to supporting the communities we serve, **Quadrant Systems** recently donated Madiba Buggies (wheelchairs) to the wonderful residents of LITTLE EDEN.

These buggies were handed over to Thomas, Tsietsi, Nelson, and Jobekazazi.

It is truly inspiring to witness the positive impact this support will have on their everyday lives.

Moments like these remind us that even small acts of kindness can create a lasting difference.

Celebrate Your Birthday with Purpose – Our In Lieu Giving Programme

LITTLE EDEN Society offers a special **In Lieu Giving Programme**, inviting donors to celebrate their birthdays in a meaningful and heartfelt way—with our residents. These moments of connection, laughter, and togetherness make a truly special difference in the lives of those we care for.

These special people celebrated their birthday at LITTLE EDEN between January and April 2026:

Ride for a Reason – What a Morning!

On 28 March, **Mont Blanc Financial Services** hosted Ride for a Reason, a fantastic cycling event where all proceeds were generously donated to LITTLE EDEN Society.

What a day it was! From lots of laughter and camaraderie to mud, sweat, and getting down and dirty on the trail, the morning was filled with fun, determination, and purpose. Riders embraced every moment—with smiles as big as their hearts.

We are deeply grateful to Mont Blanc Financial Services and every participant who rode, supported, and contributed. Your energy, generosity, and community spirit made this event truly special and will have a meaningful impact on the lives of our residents.

Thank you for riding for a reason—and for riding with heart.

Edenvale Marathon – Community in Action

On 8 March, LITTLE EDEN Society proudly hosted a water station at the Edenvale Marathon. Despite the freezing cold conditions, the atmosphere was filled with warmth, energy, and community spirit.

It was truly inspiring to see the runners push through the chill and to witness the incredible support from our local community for the meaningful work done at LITTLE EDEN. Moments like these remind us of the power of togetherness and shared purpose.

300 Smiles

The 300 Smiles Campaign gives our 300 residents, each with unique intellectual disabilities, the chance to enjoy monthly celebrations and birthdays with the wider community. Last year, thanks to the generous support from schools like Edenglen High, students, churches, donors, and through activations in malls, runs, and wellness days, we raised R150000, creating joyful, memorable experiences that made our residents feel truly seen, loved, included, and part of a caring community.

This year, we invite more schools, groups, and individuals to join us in spreading smiles and making these celebrations possible, because every shared moment builds a stronger, kinder, and more inclusive community. Palm Sunday at ERV

LITTLE EDEN Society Bapsfontein was honoured to welcome Fr Ryan Pais from Our Lady of Mount Carmel Church, Benoni, who visited us as part of their Lenten outreach.

Fr Ryan and the parish community generously brought a variety of gifts for both our residents and staff, sharing kindness and compassion that were deeply appreciated by all. Following a beautiful Holy Mass, our residents enjoyed a special lunch together, making the visit even more meaningful.

We extend our heartfelt thanks to Fr Ryan and the parish for their generosity, love, and continued support.

Thank you **Dacosbro Foundation** for visiting us at LITTLE EDEN Society's Elvira Rota Village in Bapsfontein. And bringing the Easter Bunny!

And now for some Sports...
